Math Practice - Grade 3

M8 Equivalent fractions and comparing fractions - Whole numbers as fractions

M8 3.NF.A.3, 3.NF.A.3a, 3.NF.A.3b, 3.NF.A.3c, 3.NF.A.3d

Name: _____ Date: _____

Write the whole number as a fraction.

Example: Write 3 as a fraction.

How: A whole number is that many ones. Write the whole number over 1, because each whole is one part.

$3 = \frac{3}{1}$

---

1 **Write 9 as a fraction.**

$9 = \frac{\square}{\square}$

---

2 **Write 8 as a fraction.**

$8 = \frac{\square}{\square}$

---

3 **Write 4 as a fraction.**

$4 = \frac{\square}{\square}$

Math Practice - Grade 3
