Math Practice - Grade 5

M3 Multi digit whole number multiplication and division - Multiply by a one digit number

M3 5.NBT.B.5, 5.NBT.B.6

Name: _____ Date: _____

Multiply. Write the answer in the box.

Example: Multiply.

How: Multiply the ones first, then the tens, regrouping as you go. The regrouped ten is added after the next multiply.

$$\begin{array}{r} 9448 \\ \times \quad 4 \\ \hline 37792 \end{array}$$

1

$$\begin{array}{r} 6861 \\ \times \quad 6 \\ \hline \square \end{array}$$

2

$$\begin{array}{r} 4361 \\ \times \quad 3 \\ \hline \square \end{array}$$

3

$$\begin{array}{r} 9225 \\ \times \quad 8 \\ \hline \square \end{array}$$

4

$$\begin{array}{r} 4972 \\ \times \quad 3 \\ \hline \square \end{array}$$

5

$$\begin{array}{r} 7492 \\ \times \quad 9 \\ \hline \square \end{array}$$

6

$$\begin{array}{r} 8302 \\ \times \quad 9 \\ \hline \square \end{array}$$

7

$$\begin{array}{r} 7730 \\ \times \quad 8 \\ \hline \square \end{array}$$

8

$$\begin{array}{r} 8367 \\ \times \quad 9 \\ \hline \square \end{array}$$

9

$$\begin{array}{r} 6043 \\ \times \quad 2 \\ \hline \square \end{array}$$

10

$$\begin{array}{r} 8444 \\ \times \quad 3 \\ \hline \square \end{array}$$

11

$$\begin{array}{r} 1345 \\ \times \quad 8 \\ \hline \square \end{array}$$

12

$$\begin{array}{r} 3455 \\ \times \quad 4 \\ \hline \square \end{array}$$

Math Practice - Grade 5
