Math Practice - Grade 5

M6 Add and subtract fractions with unlike denominators - Estimate with a benchmark fraction

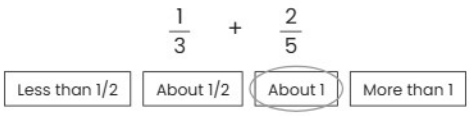
M6 5.NF.A.1, 5.NF.A.2

Name: _____ Date: _____

Estimate the sum. Circle your estimate.

Example: Estimate 1/3 + 2/5. Circle your estimate.

How: Round each fraction to the nearest benchmark: 0, one half, or 1. Add the rounded values to get the estimate.



---

1 **Estimate 1/5 + 3/10. Circle your estimate.**

$$\frac{1}{5} + \frac{3}{10}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

---

2 **Estimate 9/12 + 1/2. Circle your estimate.**

$$\frac{9}{12} + \frac{1}{2}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

---

3 **Estimate 1/2 + 1/4. Circle your estimate.**

$$\frac{1}{2} + \frac{1}{4}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

Math Practice - Grade 5

M6 Add and subtract fractions with unlike denominators - Estimate with a benchmark fraction

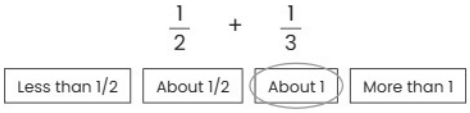
M6 5.NF.A.1, 5.NF.A.2

Name: _____ Date: _____

Estimate the sum. Circle your estimate.

Example: Estimate 1/2 + 1/3. Circle your estimate.

How: Round each fraction to the nearest benchmark: 0, one half, or 1. Add the rounded values to get the estimate.



---

1 **Estimate 10/12 + 1/2. Circle your estimate.**

$$\frac{10}{12} + \frac{1}{2}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

---

2 **Estimate 1/4 + 9/12. Circle your estimate.**

$$\frac{1}{4} + \frac{9}{12}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

---

3 **Estimate 4/12 + 5/8. Circle your estimate.**

$$\frac{4}{12} + \frac{5}{8}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

Math Practice - Grade 5

M6 Add and subtract fractions with unlike denominators - Estimate with a benchmark fraction

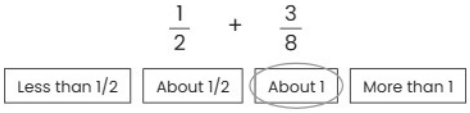
M6 5.NF.A.1, 5.NF.A.2

Name: _____ Date: _____

Estimate the sum. Circle your estimate.

Example: Estimate 1/2 + 3/8. Circle your estimate.

How: Round each fraction to the nearest benchmark: 0, one half, or 1. Add the rounded values to get the estimate.



---

1 **Estimate 3/10 + 1/2. Circle your estimate.**

$$\frac{3}{10} + \frac{1}{2}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

---

2 **Estimate 7/8 + 5/6. Circle your estimate.**

$$\frac{7}{8} + \frac{5}{6}$$

Less than 1/2 | About 1/2 | About 1 | More than 1

---

3 **Estimate 8/10 + 2/8. Circle your estimate.**

$$\frac{8}{10} + \frac{2}{8}$$

Less than 1/2 | About 1/2 | About 1 | More than 1
